

Coming this Summer **July 17th-20th to VASHON!**

Pamela Stoneham is delighted to be offering
the best ever

'Openings'

...for the second time around!

A Unique Women's Retreat on Vashon Island

*Imagine... an entire weekend for women devoted to
radical self-care, creative exploration, deepening connections,
relaxing in beautiful natural surrounds
filled with music and laughter*

Openings is...

*A playful approach, using Improv and expressive arts to explore new possibilities for
living life more fully,
embracing change and cultivating your creative seeds!
Women, laughter and music...does it get any better?*

Come to Vashon! We will be staying in a wonderful, warm and welcoming home (w/2.5 baths) on the edge of a lush forest with lovely wrap around decks for sitting out and sipping your morning coffee, not far from where you will arrive by ferry at the north end of the island...close enough to the heart of town, to walk and enjoy all that Vashon proper has to offer!

Though the main focus will be the workshops, there will be windows of time for exploring the island, taking walks, kayaking or heading into town to see local arts etc...or a nap?

*The Retreat Fee of **\$650.** includes all workshop sessions, activities,
delicious meals
and lodging for three nights!*
